

## PARENTS/SPECTATOR GUIDELINES DURING GAMES IF ON SAME SIDE AS PLAYERS/COACHES

Bala FC policies on game days when parents/spectators are asked to be on the same side as players/coaches. For safety and liability purposes, we have outlined the parents/spectators/supporters designated area above. We are also equipped to handle all injuries and player issues without parent involvement. If we feel it is important and necessary to have a parent on our player/coach area, we will notify you immediately. If you don't understand the safety or liability purpose of our club's policy/guidelines, and want detail explanation, contact DOC: **815-263-3597**

**These guidelines are in affect once our team starts warm-ups until players are released from the coach after the game.**
